## Product Description

1 - 4 persons

The 503H model is designed for 2 to 3 users. Its intelligently designed interiors allows two users to sit next to each other, with the other one adjacent to the user. With 35 powerful hydrotherapy jets, this tub is the right tub for groups or three or two. This indoor hot tub features three headrests for ultimate relaxation, as well as an anti-freezing system that can withstand long years of disuse.
