Product Description

3-5 persons

The model 8802 swimming tub from Voomig is everything you could want from an inground and above ground swimming pool. It has a beautiful geometric and patterned design that gives it that unique look you will never see anywhere else. With a dry weight of just 905 kgs, this is one outdoor or lap pool spa that you will have no trouble transporting. Its US-made control system and materials makes sure that it can give you a swim spa that will last.
