## Product Description

5 persons

Need that perfect 5-person tub in your life? The 902B is our premier spa, exclusively built to perfect that 5-person get together in your backyard. With 50 different jets installed strategically around the tub, three different headrests and two air valves, this tub will give you the exact functionality you are looking for with that party or family tub you are looking for. And looking for a little action? Try the three directional fountains with LED lights built into the tub, and get your party going today.
