Product Description

6 persons

Despite its massive interior space, the 506 model is one of the best outdoor spa tub by Voomig. This is best for groups of up to six persons who enjoy an amazing water capacity, standing at 1050L, and a quiet relaxation time. 506 motor is quiet and energy-saving, allowing users to talk over the soft hum of the jets. Even with 47 hydrotherapy and circulation jets, the 506 is still tons of fun with mini fountains, foot, shoulder, and neck massage.
