## Product Description

6 persons

The 601S model provides massive space to 3 users, each assigned with a designated head rest. Given its deep interiors, this beautiful tub can easily fit 6 persons at a time. Featuring an automatic water-shortage protection system, the 601S promotes efficient water use. With the added USA Balboa Heater, the 601S is able to provide additional temperature choices for its users. This is compatible for both 220V and 110v hot tub.
